

# BUILD YOUR OWN CHATBOT

If you're looking to build an artificial intelligence (AI)-powered chatbot, watch this session from BMC Exchange 2020. Amit Maity, lead technical instructor provides an overview of [BMC Helix Chatbot](#), then teaches you how to set up your own, how to configure live chat, and how the chatbot can integrate with BMC and third-party solutions.

If you missed the [BMC Exchange 2020 keynote you can watch it here](#).
