

WINNERS AND LOSERS OF THE 2020 RACE TO DIGITAL TRANSFORMATION

What happens when three industry experts get together to talk about digital transformation in 2020? Watch to find out! [Techonomy's](#) David Kirkpatrick is joined by CDX Editor Drew Ianni and BMC CTO Ram Chakravarti to talk about what's going right in 2020—and what is not. Listen to this expert panel chat about the near-term trends that are forcing every business to make fast adjustments and learn how to open up opportunities to capitalize on those trends.

If you missed the BMC Exchange 2020 keynote you can watch it [here](#).
